

Dear Fellow Classic Vehicle Enthusiast

Classics on the Common - Wednesday 27 July 2022

We invite you to join us for our 28th Anniversary event. **The minimum fee of £12 for cars has been held for the fifth year. All entry fees are listed on the application form.** This year, we hope to have a number of autojumble stands.

Motorcycles and Scooters There is no age qualification for motorcycles and scooters but you will need to book in advance. The minimum fee is £8. **Please note: no tickets will be available on the day of the event and anyone arriving without a ticket will not be admitted. However, if there are spaces available on the day, motorcycles and scooters (any age) will be admitted for a donation of £10.**

Ticket Applications

For cars that are 25 years or older and for all bikes, apply online at

<https://www.ticketsource.co.uk/classics-on-the-common-harpenden/t-vlvlp/>.

(The booking fee is less than the cost of the two stamps for postal applications).

Or apply by post. Also, apply by post for supercar applications (those less than 25 years old). There will be FREE tickets for applications by post for cars, bikes and scooters registered in 1930 or before.

For postal applications, please complete and submit an application form, see

Applications - by post below.

To ensure we recover our unavoidable costs, in the event of our having to cancel Classics, your ticket price is non-refundable.

Substitute Vehicles Your ticket will display your vehicle's registration number. If you need to come in a substitute qualifying vehicle, you must provide full details, including registration number, **in advance**, by emailing tickets@classicsonthecommon.com or by writing to Classics on the Common, 67 High Street, Harpenden AL5 2SL. Do **not** alter the registration number on your ticket. If the substitute vehicle does not meet the minimum age requirement a spectator car park must be used. Online tickets will be scanned on entry to the event to confirm validity.

Start time Start time will be 2.00pm **unless you have an early entry ticket** in which case you will be allowed on the Common from 11.30am. We also request that you stay on the Common until at least 6.00pm. This is to minimize congestion as vehicles arrive throughout the afternoon. Motorcycles and scooters will be allowed on the Common from 11.30am.

Harpenden Town Council has asked us to remind you that barbecues are not permitted on the Common and for space considerations, no gazebos are allowed.

Charities Thanks to the generosity of car and bike owners, spectators, our advertisers and sponsors, our last event raised over £30,000 for charity. A helpful slice of that came from Gift Aid and we encourage you to tick the box on the application form for any donations over the minima. Our main charities for 2022 will be posted on our website in due course.

Yours sincerely,
